NEW PROGRAM QUESTIONNAIRE
Curriculum Committee

Please answer the following questions in relation to the new program or certificate that you are presenting to the committee.

1. How does this program contribute to achieving the mission of the college? Specifically, how does it prepare the students for transfer and/or entering the workforce at levels that will reflect the college’s institutional outcomes?

   One of Mission’s college goals is to assist and support students to transfer to a four year university. This new transfer program will allow students to take targeted courses that are accepted and required by four year university and transfer faster. This new transfer program also allows Mission to get on board with the passing of the new universal transfer program recently passed by the state.

2. If the program includes courses from other disciplines, explain the collaboration (include the faculty involved) that has taken place with those disciplines (i.e. scheduling, new course development, etc)?

   This transfer program does include other disciplines, especially the discipline of Accounting. Several meetings and conversations have occurred with faculty from this discipline and collaboration is on-going.

3. Please share your plan for sequencing of the program.
   Not sure what this means???

4. How did you determine the demand for this major? How does this program meet the needs of our local community?

   We are following a universal transfer program recently passed by the state SB 1440. This program is aimed at assisting students transfer at a faster pace to a four year university.

5. FOR TRANSFER – How have you ensured that the program is “transfer-ready” and prepares students for transfer at multiple institutions and/or majors?

   Much research was done at the state level between colleges and universities and this new transfer program meets that demand for this business transfer degree. This will assist students take targeted major courses required by the four year universities and transfer at a faster pace.

6. FOR CTE – What other programs, similar to this, are available at local colleges and/or within the district? What are the similarities or differences in our program?
