6803. VIABILITY REVIEW. In addition to procedures for program review established pursuant to Board Rule 6801, each college shall, in consultation with its Academic Senate, develop procedures for initiating and conducting a viability review of “educational programs,” as defined in Title 5, section 55000(b). A program viability review may be conducted when the college determines, in accordance to procedures developed pursuant to this Board Rule, that an in-depth analysis, beyond that provided through program review, is necessary.

At a minimum the viability review procedures shall contain the following:

1. A definition of a viability review, which shall include, at a minimum; the current need for the program, the feasibility of continued support for the program, and expected program outcomes;
2. The factors that will trigger a viability review;
3. Identification of the individuals (by title) and college constituencies included in the process;
4. Procedures and criteria for information gathering;
5. Processes for conducting the review;
6. Procedures and rationale for developing recommendations, including program maintenance, modification or discontinuance.

Possible outcomes of a viability review may include, but are not limited to, recommendations on the following:

1. Program modification;
2. Program improvement;
3. Departmental reorganization;
4. Program initiation;
5. Program discontinuance.
