STANDARD III
ACCREDITATION REVIEW

Financial Resources
2013
The College will use various methods to improve collegiality, campus climate, and effective communication, such as diversity workshops, facilitation for specific departments/areas, and leadership meetings by Spring 2014.

The College will work with the Associated Students Organization leadership to encourage and ensure student representation on all shared governance committees by Spring 2014.
The Facilities Planning Committee and College Council will ensure that all constituent groups are familiar with the progress of the Facilities Master Plan by providing regular updates to the campus community beginning in spring 2013.
ACTIONABLE IMPROVEMENT PLANS
STANDARD 3C

- The Vice President Administrative Services and College IT manager will develop a plan by spring 2014 to identify funding for ongoing operational support needs for existing and new technology projects.

- Technology Committee Co-Chairs will propose an assessment plan and approval process for all long-term technology projects by fall 2013.
Financial resources are sufficient to support student learning programs and services and to improve institutional effectiveness. The distribution of resources supports the development, maintenance and enhancement of programs and services.
The institution’s mission and goals are the foundation for financial planning.

To assure financial integrity of the institution and responsible use of its financial resources, the internal control structure has appropriate control mechanisms and widely disseminates dependable and timely information for sound financial decision making.

The institution has policies and procedures to ensure sound financial practices and financial stability.

Financial resource planning is integrated with institutional planning. The institution systematically assess the effective use of the financial resources and uses the results of the evaluation as the basis for improvement.
