Dear President Perez:

The Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, at its meeting June 3-5, 2015, reviewed the Follow-Up Report submitted by Los Angeles Mission College. The Follow-Up Report was certified by college leadership, including the president of the governing board, the chancellor, the college president, the Accreditation Liaison Officer, and leaders of the faculty, staff, and student organizations.

Based on the College Follow-Up Report and evidence submitted, the Commission finds that Los Angeles Mission College has addressed College Recommendations 2, 5, 7, 9, and 14 from the last comprehensive evaluation and has fully resolved the deficiencies in College policies, procedures, and practices which led to noncompliance with Eligibility Requirements 10 and 14 and Standards I.B, I.B.2, I.B.6, II.A, II.A.1.c, II.A.2, II.A.2.d, II.B, II.B.1, II.B.3, II.B.3.c, II.B.4, IV.a.5, IV.b.2.a.

Institutions are expected to meet Eligibility Requirements, Accreditation Standards, and Commission policies at all times during the six-year review cycle. Los Angeles Mission College must demonstrate to the Commission at the time of the next comprehensive review that the recent changes implemented to resolve deficiencies and meet Eligibility Requirements and Standards have been sustained. Los Angeles Mission College will submit its Institutional Self Evaluation of Educational Quality and Institutional Effectiveness Report in preparation for the comprehensive review in **spring 2016**.

The Follow-Up Report submitted in March 2015 will become part of the accreditation history of the College. The Commission requires that you give the Follow-Up Report and this letter appropriate dissemination to your College staff and to those who were signatories of the Report. This group should include the leadership and the Board of Trustees. The Commission also requires that these documents be made available to students and the public by placing a copy on the College website. *Please note that in response to public interest in disclosure, the Commission now requires*

*Institutions to post accreditation information on a page no more than one click from the institution's home page.*

On behalf of the Commission, I wish to encourage your continued work to ensure Los Angeles Mission College's educational quality and to support students' success. Professional self-regulation is the responsibility of an accredited college and the accreditor. Thank you for sharing in that responsibility.

Sincerely,
