Petition for Credit/No Credit (CR/NC) Grading- Winter 2010

PLEASE READ CAREFULLY

I request to be evaluated on a Credit/No-Credit basis in the Instructional Television course listed below. I am aware of the following facts, and have considered them in making my decision to request Credit/No-Credit evaluation of my work:

1. Single performance standard. The credit/no-credit grading system shall be used in any course in which there is a single satisfactory standard of performance for which unit credit is assigned. A grade of Credit (CR) shall be assigned for meeting that standard, and a grade of No-Credit (NC) shall be assigned for failure to do so.

(NOTE: All ITV courses, except English 101, may be taken for Credit/No-Credit.)

2. Acceptance of credits. All units earned on a credit/no-credit basis in accredited California institutions of higher education or equivalent out-of-state institutions shall be counted in satisfaction of community college curriculum requirements.

3. Recording of grade. A student who is approved to be evaluated on the credit/no-credit basis shall receive both course credit and unit credit upon satisfactory completion of the course. Satisfactory completion for credit is equivalent to the grade of "C" or better. A student who does not perform satisfactorily will be assigned a No-Credit (NC) grade.

4. Grade point calculation. Units earned on a credit/no-credit basis shall not be used to calculate grade-point-averages. Units attempted for which No-Credit (NC) is recorded shall be considered in probationary and dismissal procedures.

5. Standards of evaluation. The student who is enrolled in a course on a credit/no-credit basis will be held responsible for all assignments and examinations required in the course and must meet the standards of evaluation which are identical for all students.

6. Conversion to letter grade. A student who has received credit for a course taken on a credit/no-credit basis may not convert this credit to a letter grade.

7. Course repetition. A student who has received a grade of No-Credit (NC) may repeat the course by meeting the requirements set forth by the District Course Repetition to Improve Substandard Grades Policy.

A maximum of 15 units of credit/no-credit grades may be applied toward the Associate Degree.
