How to Register CourseCompass for Instructors

How To Register for Educators

It takes just a few moments to register as a CourseCompass instructor, and you only need to do it once. After you register, you can log in and access all CourseCompass course materials, and you can create as many courses as you like. To access your courses, students also must register online.

Before you begin, be sure you have an instructor access code and a valid email address.

Begin your registration

1. Go to the CourseCompass home page.
2. Click the Register button under Educators.
3. Review the License Agreement and click I Accept.

Enter your access information

If you have ever registered on a Pearson Education website, you may already have an educator account. You can save time by using the existing account because the system automatically displays your previous information.

1. Respond to the question, Do you have a Pearson Education account?
   - If you have an account, select Yes and enter your existing login name and password in the boxes provided.
   - If you do not have an account, select No and follow the instructions to create your login information.
   - If you’re not sure, select Not sure. Enter your email address and click Search.
     - If you have an account, your login information will be sent to your email address within a few moments. Change your selection to Yes, and enter your login name and password as directed.
     - If you do not have an account, change your selection to No and follow the instructions to create your login information.
   Note: A login name can be up to 64 characters long. A password can be up to 32 characters long and must contain at least one number and one letter.

2. Enter your access code.
3. Click Next.
Review your confirmation summary
Review the Confirmation & Summary page information and print the page to keep a record of your login name, the email address used on your account, and your registration transaction, in case you need to contact Customer Support. You will also receive an email message that contains your login name and password.
