

LAMC INSTITUTIONAL LEARNING OUTCOMES (ILO) ASSESSMENT

GUIDE SHEET – Fall 2012

ILO: _____

Chairs: _____

Recorder: _____

Directions: Review ILO (See Attachment) and briefly discuss its meaning.

Questions and issues:

1. We have said LAMC students should have “competency” in this Institutional outcome area by the time they graduate.
 - How can we assess how our students are doing in achieving this competency? [See sample assessment(s) enclosed in folder].
 - What standards should be used to measure their achievement?
2. Discuss possible method(s) of assessment and how the assessment will be conducted [See list of courses that support each ILO in folder]. Determine:
 - What would be a representative sample number of courses/students to assess?
 - When and how will the assessment be conducted? (by the end of October at the latest)
 - How will the data be collected?
 - When and how [See sample rubrics in folder] will the data be analyzed?
3. The analysis of the findings should be completed before Thanksgiving and should include:
 - Identification of gaps
 - A plan for improvement
4. The report should be completed by December 15 and presented to College Council at its December meeting.
5. Develop a meeting schedule to accomplish these goals.
6. Who is willing to take ownership and see that this ILO assessment is accomplished this semester? _____
