I’ve applied to CSU/UC, What’s Next????

Print a copy of your application for future reference. Look for your application acknowledgement: Right after you submit your application, you’ll receive an e-mail confirming it has been successfully filed. For University of California (UC) applications, if you don’t receive a notice, please contact the processing service at ucinfo@ucapplication.ent or call (800) 523-2048. For California State University (CSU) applications, contact the Admissions department at each CSU campus.

Await a decision: UC campuses may notify you anytime between March 1 and May 1. You can refer to each campus admissions website for more information. CSU Campus notifications will vary but generally will be between February and May.

Submit Transcripts: CSU campuses generally prefer transcripts as soon as you submit your application, again after fall 2010 grades post and a final transcript after Spring 2011 grades post. UC Campuses will ask you to submit official transcripts, usually after you’ve been admitted although some campuses may request transcripts prior to admission. Both CSU & UC will want transcripts from ALL schools and colleges you have attended, Test Scores – AP, IB (if applicable), regardless of your length of attendance or whether you believe the credit is transferable.

Submit your Statement of Intent to Register (SIR): Use this form or website to indicate whether you accept or decline the admissions offer. Transfer students admitted to the UC system for fall 2011 must submit it by June 1, 2011. For the CSU system the deadline varies so you should check with each campus admissions office.

Don’t forget to apply for Financial Aid: March 2, 2011 is the priority deadline for initial financial aid awards. However, you can apply anytime after January 1, 2011 at www.fafsa.gov

### Transfer Admission Guarantee (TAG)

Seven UC campuses offer guaranteed admission to California community college students who meet specific requirements - UC Davis, Irvine, Merced, Riverside, San Diego, Santa Barbara, & Santa Cruz. By participating in a Transfer Admission Guarantee (TAG) program, you will receive early review of your academic records, early admission notification and specific guidance about major preparation and general education coursework.

**How to pursue TAG**

1. Fill out an online TAG application and review it with your community college counselor and/or UC campus TAG adviser.
2. When your TAG is approved, fulfill all remaining coursework and GPA requirements in your TAG agreement.
3. Apply for admission to UC during the appropriate filing period.

http://www.universityofcalifornia.edu/admissions/transfer/guarantee/index.html

### Get Certified!!!

CSU GE Breadth & IGETC (Intersegmental General Education Transfer Curriculum) for UC/CSU Certification is available to community college transfer students who satisfy the general education requirements in each area. “Certification” means that LAMC has verified that a student has completed the lower division General Education requirements listed in each area of the CSU GE Breadth or the IGETC. Partial Certification is also available.

**Certification** does not guarantee admission or admission eligibility. Without certification, the student will be held to the specific general education requirements of the UC/CSU campus of choice.

CSU General Education Breadth & IGETC Certification is **not automatic**. Make an appointment with a Counselor at LA Mission Transfer & Career Center for Certification.
