

LAMC Licensure Exam Pass Rates

Certified Nursing Assistant (CNA) is the only career education program at LAMC that requires students to pass a licensure examination in order to work in their field of study. The institution-set standard for the CNA licensure exam pass rate is 90%, with an institution-set target of 100%. Actual licensure exam pass rates are given below. Pass rates include only students who attempted the licensure exam (students who completed the program but did not take the exam are excluded).
