# COMMUNICATION STUDIES

**MAJOR SHEETS** 

#### WHAT IS COMMUNICATION STUDIES?

Communication studies is a social science analyzing how humans display oral, written, and interpersonal communication across different mediums and fields. Furthermore it seeks to find the most effective methods of communicating ideas, information arguments, and more. The field uses research and critical analysis to make observations of communication on a micro-level, such as face to face communication as well as macro-level between socio-cultural and political systems.
