  - *Please Note: On the initial change where it asks for "Old Password" enter your default password with the format above.*

Once you have successfully logged in, you will be required to update your password.

### How to Update your Password

- You will be asked to update your password when you log in for the first time **or if your password expired.**
- Enter your default password in the old password textbox (*Old password, Example: JDJuly04@LACCD!*) and create a new password in the new password textbox.
  - *If you have never changed your password or changed your password on or before May 16<sup>th</sup>, 2022 your "Old Password" will be your current password.*
- New password must contain at least **fourteen** alphanumeric characters: **numbers, uppercase and lowercase alphabetical characters, and at least one special character.**
- Additionally, you may not use your prior three passwords as your new password.

- Register for Self-Service Password Reset (SSPR)
  - **Students** – You will be required to setup Microsoft SSPR when you check your email.
  - **Employees** – After successfully updating your password, you will be redirected to the security question SSPR setup page.
- **IMPORTANT!** Please make sure your setup SSPR so you can reset your password online.
